How to get Rennes?

Université
de Rennes

- City located in western France, in Brittany
- Travel plan when you are coming from neighboring countries by train:
 - Paris has several railway stations where high speed train came. Often you need to change of station using the subway. The station for the departure to Rennes is Montparnasse
- Travel plan from others countries:
 - Charles de Gaulle and Roissy airports

AIM-PRO

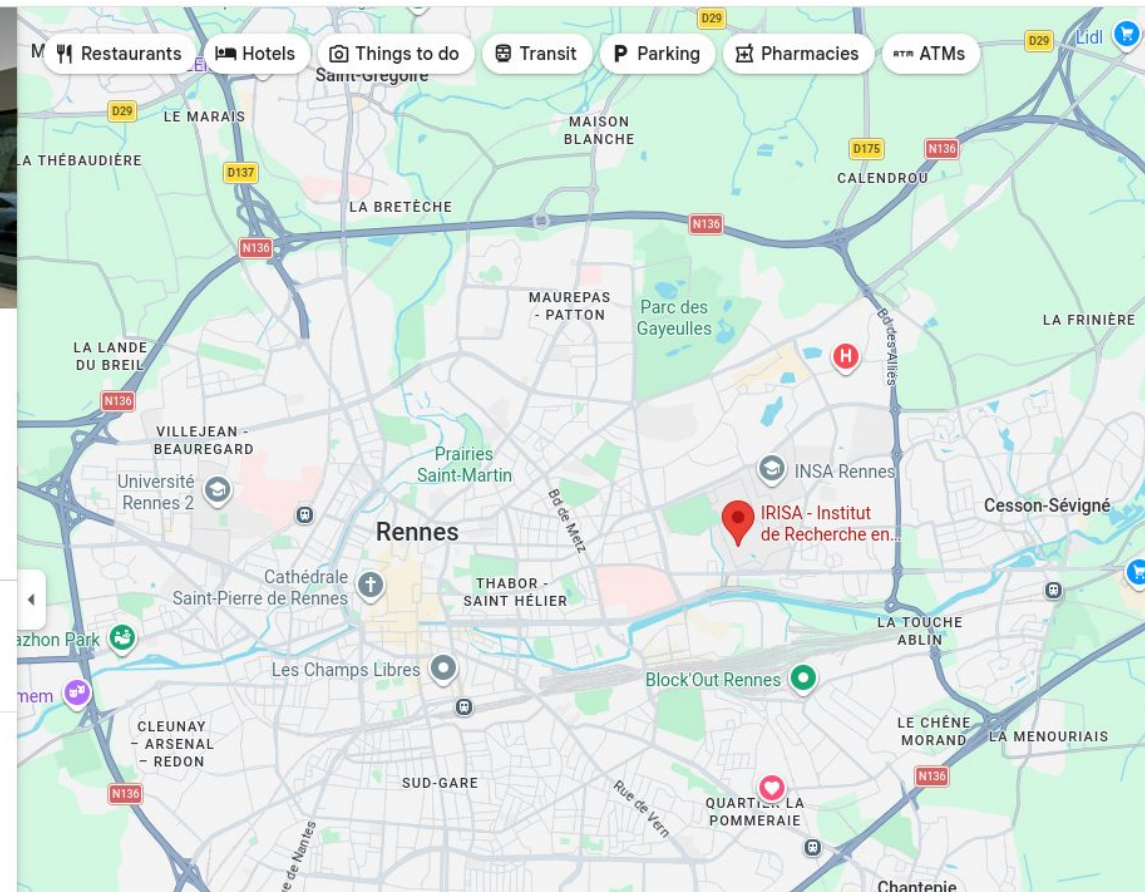

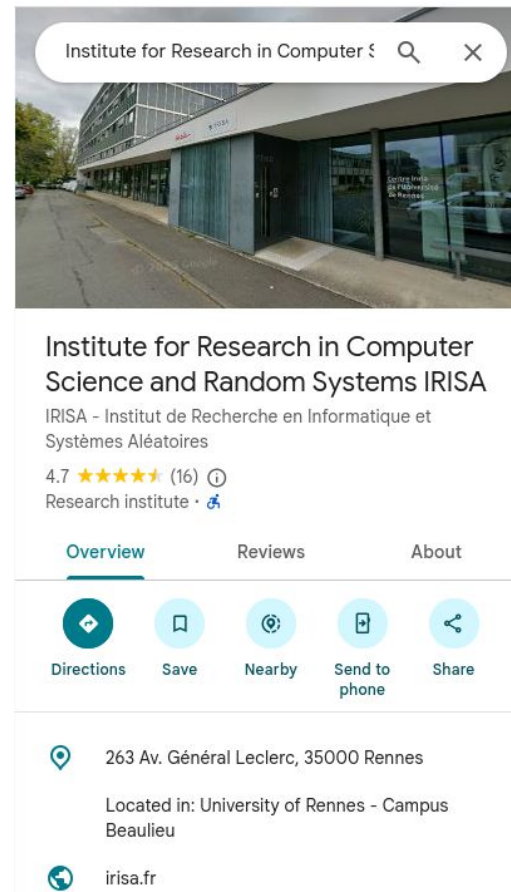

How to get the IRISA lab?

The IRISA laboratory is located on the Beaulieu campus, east of Rennes.

The meeting point is available at the following location:

<https://maps.app.goo.gl/RUguRBbshtmcWbiD8>

The campus is served by Metro Line B.

Macro Program

- Plenary meeting in Rennes from Tuesday 20 and Wednesday 21
- Part of Wednesday 21 will be dedicated to a social event.
- We have planned a diner in the evening on October 20
- Meetings are planned at INRIA Conference Center in a large room that could be organized in classroom or other configuration.

Train travel plan

Travel plan when arriving by train:

- Paris has several railway stations served by high-speed trains. In many cases, you will need to transfer between stations using the Paris Métro. Trains to Rennes depart from “Gare Montparnasse”

AIM-PRO

Plane travel plan

Travel plan when arriving by plane:

- Roissy - Charles de Gaulle (CDG) and Orly (ORY) airports are the major airports in Paris
- You need to join the railways station Gare Montparnasse from airports to come to Rennes.
 - From Orly: Métro line (14) then (4) (<https://maps.app.goo.gl/76jrnj9DYYDXHTseb6>)
 - From CDG: RER B then line (4) (<https://maps.app.goo.gl/Hrsukw1VxrzKszrGA>)

Accommodation

- You may book a hotel in the southern or northern city center, as you will never be far from a metro stop or a bus stop.
- The city of Rennes is well served by public transport with its 2 metros and numerous bus lines making Beaulieu campus accessible in 10 minutes with the new metro line (B) and up to 20-25 minutes by bus. Recommendations for accommodation options is available at the Tourist Office Site of Rennes (<https://www.tourisme-rennes.com/en/>) and (<https://www.tourisme-rennes.com/hebergements/>).

New features on the AIM-PRO website

New features have been implemented on the website:
